

Make a sentence better
by changing it slightly,
adding more meaning
and improving flow

Simpler is better &
use your mastered
vocab

Rewrite each
sentence below that
sentence's line

Read each sentence and see
how it sounds, make
improvement if awkward

Read the old and new
versions of the
paragraph, keep the
new if it is better

Collapse the new
paragraph

Make a copy and see
if you can arrange the
sentenses into a
better order

You can illiminate
sentenses that are no
longer requiried

Take a paragraph and
split it into its
sentenses into
individual lines

Editing: Arranging of sentenses within
paragraphs
